

### PBC3 • Peg Board Cover (Basic)

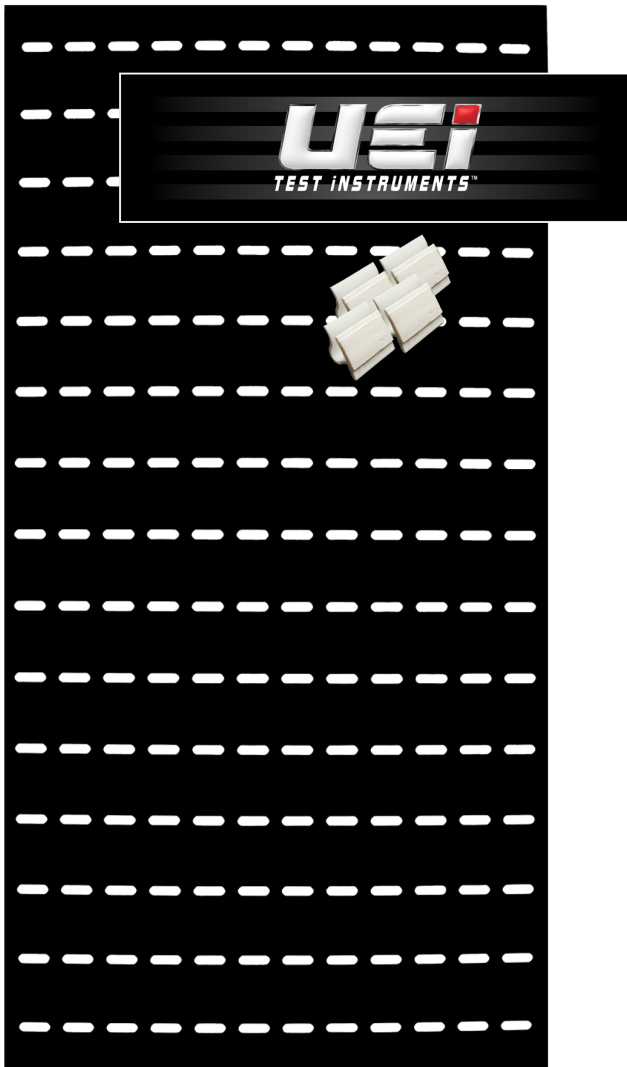

2' x 4' Black flexible PVC cover with 5/16" stripped holes aligned 1" on center. Includes fasteners and header sign.

The Peg Board Cover is perfect way to dress up traditional peg boards or gondola displays. Our display helps keep inventory looking organized. The durable material is tough enough not to tear but can easily be cut to customize to space requirements.

### PBC4 • Peg Board Cover (Setup)

2' x 4' Black flexible PVC cover with 5/16" stripped holes aligned 1" on center. Includes fasteners, header sign, product category signs and reorder tags.

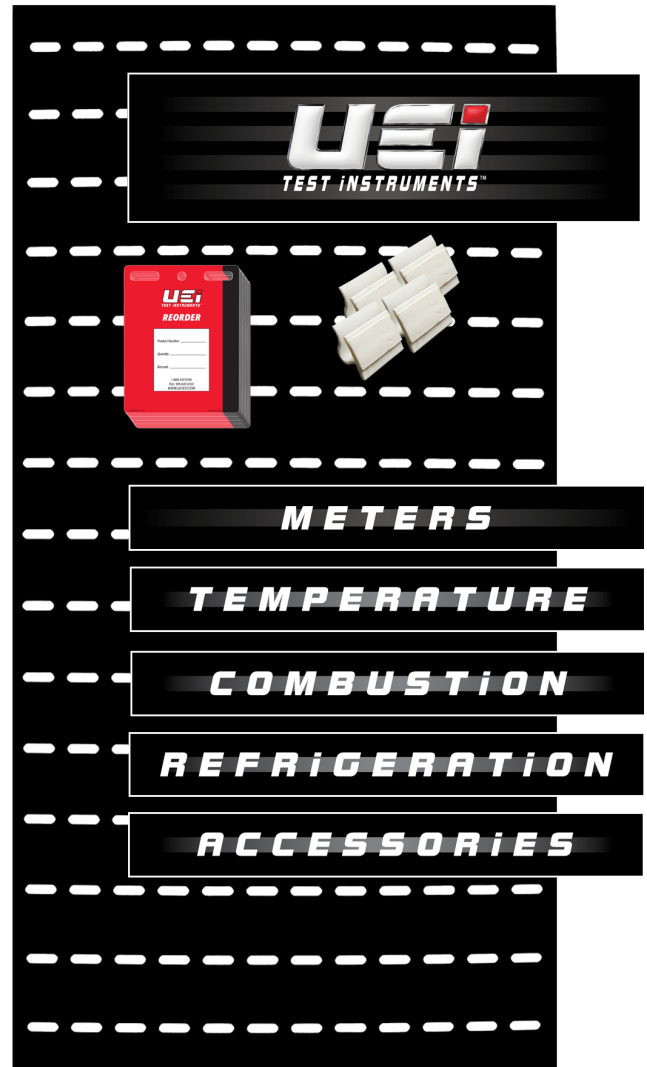

The Peg Board Cover package is intended for peg board or gondola displays with additional branding material for initial store setup that direct customers to specific product categories. This cover and signage helps keep inventory looking organized and the durable cover material is tough enough not to tear but can easily be cut to customize to space requirements.

**SDC3 • Slatwall Cover (Basic)**

2' x 4' Black flexible PVC cover with inserts aligned to standard slatwall tracks. Includes fasteners and header sign.

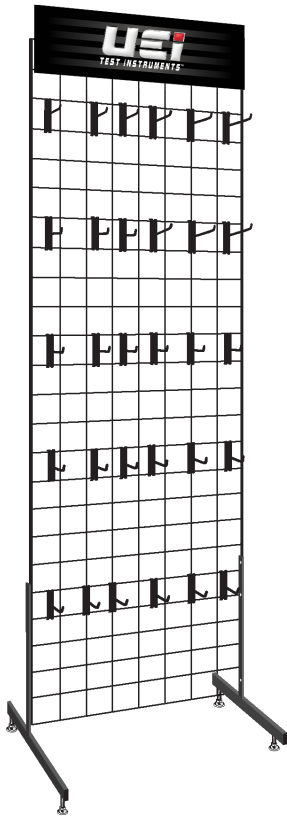

The Slatwall Display Cover is a stylish way to brand your UEi display. Apply directly over the slatwalls and fasten using the supplied clips to keep inventory looking organized. Cover can be cut to customizable sizes, but is durable enough to resistance tearing easily.

**SDC4 • Slatwall Cover (Setup)**

2' x 4' Black flexible PVC cover with inserts aligned to standard slatwall tracks. Includes fasteners, header sign, product category signs and reorder tags.

This Slatwall Display Cover package contains additional branding material for initial store setups. Apply directly over the slatwalls and fasten using the supplied clips. Use the additional branding signage to direct customers to specific products while keeping inventory looking organized. Covers can be cut to customizable sizes, but is durable enough to resist tearing easily.

### Display 2 • Free Standing Display

2' x 6' metal grid display includes a header sign, reorder tags, hardware, grid hooks, and set up instructions. The UEi Free Standing Display is perfect at end of aisles, or anywhere open floor space is available. The large rack face allows a wide range of products to be displayed. Sturdy and visually appealing this display is a sharp addition to any store.

### HEADER3 • Header Sign

24" x 7" color sign with 2 hanging holes making it easily identifiable and helping direct customers to your test instrument inventory.

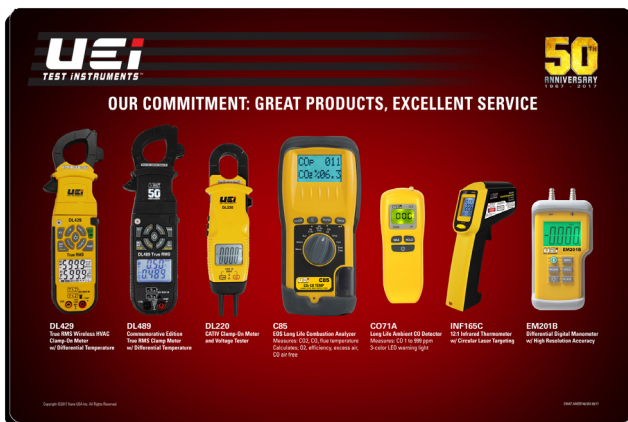

### BAN-LG • Banner - Large

2' x 6' Vinyl Banner w/ grommets. Features top selling products

### BAN-SM • Banner - Small

1' x 3' Vinyl Banner w/ grommets. Features top selling products

### CMAT • Counter Mat - Product Line

18" x 12" Branded mat w/ laminated top surface and non-slip grip underneath. Features top selling product line.

### CMATV3 • Counter Mat - Combustion

18" x 12" Branded mat w/ laminated top surface and non-slip grip underneath. Features our combustion analyzer line up.

# MERCHANDISE
